*Welcome to the world of Herding.
We hope you stop by, enjoy it,
and stay for a long time.*

**Shannon describes her job as
"dancing with dogs".**

**The ballet happens when you work
with your dog as your partner,
with them bringing their skills to
match your direction.**

This is the ultimate of joys.

THINGS TO REMEMBER

Chair	<u>Buckle collar</u> when working
Old shoes	Crate/Exercise pen
Dress for weather	Water (lots if hot)
Shade for you and your dog(s)	Leash

Please do not bring your dog near the stock pen until it is his or her turn work. Please use exercise area and pick up after your dog. Porto Potty is available for the rest of us.

OTHER RULES TO FOLLOW

1. All dogs must be 6 months of age or older.
2. All dogs must be current on their vaccinations (or titer) and parasite free.
3. All dogs must be leashed or crated except when working.
4. No Flexi Leads allowed on grounds.
5. Livestock seriously injured while being worked must be paid for by the owner or handler of the dog working stock at that time.
6. Bitches in season may participate in the clinic, but will run last
7. No Schutzhund trained dogs, please.

What will I do? Your dog will be put on a 6-foot soft rope and go in the pen with the Tester. Shannon will help introduce your dog to the sheep or goats and help him or her understand what they need to do. Your dog may want you in there also, and then Shannon will help you work your dog. You will have a blast and a day to remember. The order in which the dogs run is dependent upon the time your entry is received, and we also like to put 3 like breeds in a row, so you can see how specific breeds work. We change livestock approximately every third dog. It will take approximately 3-4 hours to work all 25 dogs... It is great fun to watch the dogs "turn on" to the livestock.

**PROFESSIONAL PHOTOGRAPHER
DICK BRUNER WILL BE ON SITE
TO TAKE ACTION SHOTS OF
YOUR DOG ON SHEEP OR GOATS.
PHOTOS WILL BE AVAILABLE ON SITE.**
